

Report Region 8 TICINO 2019.2020

In our region continue the trend of increasing numbers of sailor and level.

During the second week of July we had 24 new sailor in our usually training camp in Dongo.

During the camp the young sailor started to approach the sail in a different view, non only sail for fun bun sail for sport. This is a big success for us.

The support of our region is not only for the breittensport but also for the regional cader.

Our regional team sailed all winter whit Ricca and Nicola. More then 25 training and racing day in location like Barcelona, Palamos, Pola, lake Garda and our region TICINO

During this difficult year we organize also a Regional regatta championship with two act: Lugano and Ascona. We are very happy for this event where another sailors from italy and another swiss region partecipate

We have to say thank you to our sponsor for support our activity.

Regards

Riccardo Giuliano
